✦ New from Ravensburger, Gibson and Falcon Jumbo

✦ Jigs Corner
 ✦ Readers' Letters & Competition

Happy New Year to all our members. We hope you have enjoyed the festive season and have been busy puzzling. Thank you for all the lovely cards and good wishes we have received. As usual, the start of the year is a very busy and exciting one as we have lots of new releases from all the manufacturers. Please bear this in mind when awaiting your order this month as there may be a delay in us receiving the puzzles and getting them out to you as they aren't actually available until early January. There have also been a few price increases by all the manufacturers again this year. We have continued to absorb them where we can but some prices have had to increase a little.

Gibsons use 100% recycled puzzle board, FSC paper and the pieces are designed to fit perfectly with no puzzle 'dust' (they use the thickest puzzle board on the market). For 2020 the boxes are slightly smaller than previously, so reducing Gibsons carbon footprint to deliver them and the space you need to store them. They also now use biodegradable clear labels to secure the lid instead of shrink wrap, reducing their plastic waste. There is a HUV coating on the box for extra protection, to ensure the puzzles aren't damaged and the pieces are stored in a plastic bag that can be recycled by some councils. They also include an artwork poster inside for you to reference instead of needing to hold the box. All positive changes to help the environment and puzzlers!

FJ11289 - Riverside Cottages.
2x500pc £14.00

G4049 - Fido's Coffee Bar. 636pc £11.50

Fido the dog runs the best coffee bar in town. With rarely a free seat, all the pooches flock to experience Fido's finest Chow Lattes. Sit back and relax with this 636 piece panoramic puzzle from popular artist Linda Jane Smith and you'll be amused and delighted by the antics of these scruffy mutts.

FJ11288 - Afternoon Hack.
1000pc £13.00

The puzzle image presents a beautiful summer's day in the park gardens, so perfect it would be rude not to enjoy this nice weather! You can find friends taking a stroll on their horses through the stunning greenery, as well as furry friends all in one image.

Readers' Letters

Hi, I live in St. Louis MO USA and am an avid lifelong puzzler. I have been looking for a certain puzzle for quite a while and wonder if one of your members might have one that they would be willing to sell. It is Rachel Arbuckle's Twelve Days of Christmas, 1000 pieces, made by

Taitlen Games. It was featured in your September 2010 Issue 60 newsletter. I have searched everywhere and cannot find this puzzle! I desperately want to add it to my collection of Twelve Days of Christmas jigsaw puzzles. I am currently doing the series of Rachel Arbuckle's Twelve Days of Christmas puzzles that are being made by Wentworth and they are AWESOME! Please can you help?
Donna Fisher, USA

If any of our members have this puzzle and can help Donna, please get in touch with us and we will pass on her details.
