# The Official PUZZLE CLUB Newsletter

New from all the main manufacturers, inc the start of winter

Jigs Corner Competition

A belated Happy Birthday to The Puzzle Club. September saw us celebrating our 15th birthday! So, a big thank you to ALL our valued customers, and of course a big welcome to all our new members especially those who have joined us over the last few months.

With most manufacturers still struggling to supply us in larger quantities, it is taking a while to build up enough of a supply to offer puzzles through our Newsletter. As a few of you have found out during the month, we won't have enough of any of the more popular puzzles to last between Newsletters and only have limited chance of sourcing replacements quickly, so to make sure you receive something please call as soon as you know what you would like. Even if you usually order through the post, please call us first and we will reserve the puzzles for your order. If you think 'I'll buy that nearer Christmas' then it may be that we don't have the puzzle when you need it, so please buy early this year!

If we are not available, please leave a message with your name and contact number and we will call you back. Thank you again for all your continued support.

To order any of these specials and / or any of the other products featured in this issue complete the order form below and send with your remittance payable to: The Puzzle Club Ltd. For all unlisted items, please use remaining lines in price list or add a note to your order. (If you don't want to spoil your newsletter, simply put your request on paper) Please make cheques payable to: The Puzzle Club Ltd and send to The Puzzle Club Ltd - 30 Adelaide Road, Bramhall, Stockport SK7 1LT - For all unlisted items, please add a note in with your order.

**FJ11308 - The Christmas Carousel,**  
2x 1000pc £15.00

**G3701 - Rainbow Heroes - 500pc £10.00**

We will all remember 2020 as a very strange and challenging year. Those who kept us safe, fed, cared for and delivered the things we need became our heroes. To say thank you, Gibsons will donate £2 to the Samaritans from every Rainbow Heroes puzzle sold, because of the emotional support they provide to anyone who is in distress, struggling to cope, or at risk of suicide. The COVID-19 crisis is the biggest challenge they have ever faced, so the donation will help them continue to provide aid even after the pandemic. This puzzle celebrates the wonderful heroes who helped us during this difficult time, from nurses and doctors, to delivery drivers and emergency services. Thank you for everything you have and continue to do for us.

**Jig's Corner**

Hi there. Lots of 500pc puzzles this month (probably due to the fact 1000pc puzzles are in such short supply!) so great for those of you that have depleted your stocks during the coronavirus period. We have received a large range of new puzzles from Clementoni and Otterhouse which we haven't had in for a while, so please give them a try too. It's always nice to try something a little different, and the quality of both suppliers is up with the best! We've also got a good range of different piece size and piece count puzzles in this month so plenty for those that prefer the larger piece sizes or the real enthusiasts (with large tables!) The 250 XL puzzles are the same finished size as a 500pc puzzle, and the 500 XL are the same finished size as a 1000pc puzzle (so pieces are twice as big as usual). The 'puzzles in a tube' would make great birthday or Christmas gifts or an introduction into 'our world' for someone who maybe hasn't tried puzzles yet.

**Keep Safe & Happy Puzzling! Jig**

**Winning Ways**

No competition in issue 175, so no winners this month

**Issue 177 Competition Jigs October Scramble**

**A BROWNIE HORSE is a jumbled name of one of the puzzles in this month's newsletter. Which one?**

Please send your entries by end October 2020 and remember to tell us which puzzle up to 1000 pieces you would like if you are lucky enough to win (with your 'phone number so we can call in case we don't have it!).
