Jigs Corner
Competition

Thank you again for all your continued support. It is a very tricky time for jigsaws for the manufacturers, ourselves and of course you, our loyal customers! We are still trying to cover a range of puzzle types & sizes so there is something for everyone, and we've also included a few accessories this month, ideal as presents for your jigsaw-loving family & friends. The Portapuzzles mean you can use a table for a while, but then fold up your jigsaw and all the pieces and put it away by the side of a chair or table, as it only around 5cm wide! Invaluable if you have limited space.

To order any of these specials and / or any of the other products featured in this issue complete the order form below and send with your remittance payable to: **The Puzzle Club Ltd.** For all unlisted items, please use remaining lines in price list or add a note to your order. Jig's Corner

Coronavirus is still giving many manufacturers production problems, so we're really struggling to fill our shelves. They are all trying to improve in time for Christmas so I'm getting ready for the rush.

More Christmas puzzles this month (and next) and further lockdowns are already in place or may be coming shortly, so it may be time to start to rebuild your stockpile!

Please remember to get your orders into me quickly or call Mark or Juliet before ordering to make sure the puzzles you want are available so they can reserve them for you.

Keep Safe & Happy Puzzling! Jig
