✦ Lots new from all the main manufacturers

✦ Jigs Corner Competition & more Jigsaw festivals

It looks like lockdown is over for most people, at least for now! The sun is out so hopefully we can spend time outdoors as we all get used to safely mixing again. Luckily, there aren't a huge number of new releases this month, enough for those that still want to keep things isolated for a time but not so many that those looking to go out and about will miss out too much. It does appear that Falcon Jumbo are the most on top of new puzzle production quantities, with more of your favourite JvH and ever popular WASGIJ puzzles all at the same time!

To order any of these specials and / or any of the other products featured in this issue complete the order form below and send with your remittance payable to: **The Puzzle Club Ltd.** For all unlisted items, please use remaining lines in price list or add a note to your order. Jig's Corner

Mark & Juliet left me to it for a few days in July - that will teach me to take time off golfing! Quite a nice time actually, as no phones ringing so just fulfilling the online and postal orders. It is a bit hot & sticky as I'm writing this note in the evening, I've even been up a few times in the night with the heat so spent extra hours on my jigsaw (working my way through the latest WASGIJ releases). It's always good to have spares puzzles to fill in unexpected spare time. Hopefully we'll be in for some (slightly) cooler weather overnight soon.

Stay safe and Happy Puzzling! Jig
