New from Falcon Jumbo, Gibsons & Ravensburger this month and still a few sale items.

Jigs Corner, Readers Letters & Competition

An apology to start with this month – one of our new puzzles sold out in about 18 HOURS last month so a few of you had to wait for our Awesome Alphabet I & J. The problem was that as soon as we released our newsletter and made the puzzle available on the website, we were the only company selling it so lots of non-club members snapped up all of our available stock on the internet!

To order any of these specials and / or any of the other products featured in this issue complete the order form below and send with your remittance payable to: The Puzzle Club Ltd. For all unlisted items, please use remaining lines in price list or add a note to your order. (If you don't want to spoil your newsletter, simply put your request on paper) Please make cheques payable to: The Puzzle Club Ltd and send to The Puzzle Club Ltd - 30 Adelaide Road, Bramhall, Stockport SK7 1LT - For all unlisted items, please add a note in with your order.

**FJ20046 - The Dutch Craft Market by JvH**  
1000pcs - £14.00

The Dutch Craft Market by Jan Van Haasteren is full of mishaps and mayhem. In this fun jigsaw JvH shows us how a pleasant weekend outing to discover some art can get out of control. There certainly are lot of crafts to look at, some more desirable than others – how many have you tried or would like to take home? Remember to look out for all the usual JvH items hidden in the puzzle - the shark's fin is always there and maybe Saint Nicholas, The Hands, The Dentures and even a self-portrait of Jan.

PC Smith is cycling through the village on his morning patrol. The smell of fresh bread sweeps down the road whilst the villagers are busy shopping for their daily essentials. The Postman is just finishing his round before he takes a well-deserved break with a cup of tea and a bun from the local Bakery! A nostalgic puzzle from the talented Trevor Mitchell.

**G6332 - Last Collection**  
1000pcs - £15.00

'Chinese New Year' sees puzzlers transported to a street being lit up by vibrant Chinese New Year celebrations. Crowds are gathering to welcome the Year of the Tiger and enjoy the fun and fireworks, but what could possibly stop the fearsome tiger-themed parade in its tracks? The WASGIJ Original concept means you need to use your imagination and clues provided to piece together - not what you see on the box, but what the people on the box see! What has the woman with the smartphone seen that could've caused her jaw to drop?

**FJ25011 - WASGIJ Original 39 - Chinese New Year**  
1000pcs - £14.00

**R16971 - Forgotten Arcade**  
1000pcs - £14.00

Matt Sewell's wonderful illustration captures not only each creature's plumage, coat or prickles, but also their different personalities. There are 25 visitors to discover and enjoy, how many can you spot in your garden or local area? Some of the more exotic creatures will only be found in the countryside, or in our capital city! Supplied with a key, identifying each creature, plus additional puzzle picture for reference.

Imagine discovering this forgotten arcade and wandering around ... do you remember playing these games or trying to win a toy? It looks like someone left the arcade in a hurry, dropping their popcorn as they fled. The arcade "characters" seem to watch your every move; have they been waiting for you to arrive? What if this quiet, still world were to suddenly burst into life? Which way would you run? Colourful, detailed and oh-so spooky, this puzzle will get your imagination working overtime as you sort, select and assemble the pieces.

**R17137 - Garden Visitors**  
500pcs - £10.00

Each separate section of the puzzle has an amusing subject beginning with a different letter from Amusements through to SnooZZing.

## Jig's Corner

Sorry again about the problem with Awesome Alphabet, I promise I sent out the puzzles as quickly as possible! Hopefully with the large selection of new puzzles this month, one puzzle won't attract all the attention 😊  
I'm still pushing Mark & Juliet to include some sale puzzles from pre-Xmas too, as I need plenty of space to hold all of the new puzzles coming it, so they've included a few again this month.

**Stay safe and Happy Puzzling! Jig**

## Winning Ways

No winners this month as there was no competition over December & January (issues 190 & 191).

### Issue 193 Competition

Which iconic aircraft made its maiden flight this month 86 years ago (there might be a clue in one of the puzzle images shown in this newsletter ...)?

Please send your entries by end March 2022 and remember to tell us which puzzle up to 1000 pieces you would like if you are lucky enough to win (with your telephone number so we can call in case we don't have it!)

## Readers Letters

It has been lovely to see so many new puzzles since Christmas, but these manufacturers often offer designs which are similar to previous ones. Will there be any newer designs from these or other manufacturers coming out soon?

Mrs C from Leeds

Thank you for sending in your message. Manufacturers are always looking at new ideas and concepts, but they also have designs and themes which are extremely popular so they need to retain them. We will hopefully have new puzzles from Clementoni, Pomegranate & Schmidt over the next few Newsletters so something new to look out for.
