Jig's Corner

Just a note (Mark & Juliet forgot to mention!) that on the new website, all Gold members should have the prices reduced automatically when you log in using your usual email address (remember you will need to create a new account first time you log in, but please use the same email address as previously). If they don't show a discount, please contact Mark BEFORE completing your order and he will make sure your account is added to the Gold Member Group so you receive your Gold Member exclusive prices! I have been learning to use the new system over the last couple of weeks so I'll be double checking everything to make sure I don't make any mistakes (or at least that is the plan... 😊). Wish me Luck!

Stay safe and Happy Puzzling! Jig

Winning Ways

Issue 192 Winner – Congratulations to Ms Bidwell from Surrey whose Sudoku was drawn from the successful entries. Your puzzle will be in its way shortly.

Issue 194 Competition
Although the Coronation of the Queen was on 2nd June 1953, what was the date of her actual accession to the throne, in 1952?

Please send your entries by end April 2022 and remember to tell us which puzzle up to 1000 pieces you would like if you are lucky enough to win (with your telephone number so we can call in case we don't have it!).

We have mostly the same people that enter the competition each month, so please don't be shy – there aren't that many entries and you have a great chance of winning. You can send in the post, email or call with your entry.
