FJ11371 - The Queen's Platinum Jubilee
1000pcs - £14.00

In honour of Her Majesty the Queen becoming the first British monarch to reach a Platinum Jubilee, Falcon have released this patriotic image featuring Her Majesty in the royal carriage as part of a joyous parade outside Buckingham Palace. The entire Queen's Guard stands tall in their uniform of bearskins and red tunics as loyal well-wishers gather to celebrate this momentous occasion. Illustrated by Marcello Corti.

G7118 - Our Glorious Queen
1000pcs - £15.00

This popular jigsaw - full of royal smiles - has been re-issued to rejoice at the Queen's extraordinary seventy year reign. As the longest serving British head of state and the world's oldest reigning monarch, our amazing Queen is possibly the most photographed person in history. Initially released to celebrate Her Majesty's 90th birthday, in this jigsaw we see her many expressions - regal, joyful, intrigued, thoughtful, happy... and glorious. It represents her elegance and personality perfectly. Created by the talented Robert Opie

This 4x500 piece multi-box jigsaw puzzle depicts four of the events taking place over the four day long UK Bank Holiday weekend in June; The Derby at Epsom Downs, the Party at the Palace concert, the Queen's Carriage as part of Trooping the Colour and of course, a street party for The Great Jubilee Lunch! Illustrated by Daniel Rodgers.

G5061 - Royal Celebrations
4x500pc £23.00

In this craft brewery you can see the brewing process from start to finish. Some steps may seem a bit chaotic, but the result is worth it! Even the police officers share this thought and for once are not focused on catching the crook. A Jan van Haasteren puzzle is so much more than just a puzzle, it's an adventure series with familiar characters playing the lead roles in a never-ending decor full of absurd details!

R16956 - My Haven No.9 - The Tea House
Number of pcs? - £14.00

A lucky lady takes a few minutes away from looking after her grand-daughter to enjoy afternoon tea, complete with a homemade scone, jam and cream. Her haven is full of many tea-related accessories including china cups, saucers, mugs, tea caddies (for loose-leaf tea, of course), teapots and even books about tea. Outside her grand-daughter has a tea party all of her own. Number 9 in a series of puzzles depicting havens, sanctuaries and retreats. Designed by Steve Read.

G7116 - Harvest Festival
1000pc, £15.00

Jig Corner

Thank you for your patience for any delayed deliveries this month, I had a couple of teething problems with the new system which are now all sorted! There are quite a few puzzles on the shelves which will take a couple of months to reach a Newsletter, so if you are out and about anywhere and see a new puzzle from any of our usual manufacturers which you like the look of, please ring Mark as we might well have them in stock. I don't have a lot of spare shelf space so I'm sure we must have plenty!! 😊

Stay safe and Happy Puzzling! Jig
