# The Official PUZZLE CLUB Newsletter

★ Lots of new Xmas releases and some Sale items

★ Jigs Corner, 'Winning Ways' Competition & Upcoming Festivals

Thank you to those using Trustpilot when ordering from us, all feedback is very gratefully received and lets other potential new customers know what to expect.

This month, we have a request for help for everyone. We are all very aware of ever-rising prices and the squeeze on our incomes meaning some non-essential purchases have to be dropped. This is likely to become even more of an issue over the coming months as energy prices increase further. Whilst many of you have told us how much you enjoy puzzles, to most people they are not essential and we have seen quite a drop off in sales over the last few months. This while design, printing and postage costs have all increased, so we are in danger of having to stop the posting out of the newsletter and moving to just email. It would be EXTREMELY useful if more customers could move from receiving a printed newsletter to just the emailed one so we can reduce our postage costs and retain a printed newsletter for those without email. PLEASE call or email us to let us know if this is possible for you.

We will continue sending out printed newsletters until Christmas but may not be able to once we are in 2023. Hopefully enough members will convert to email-only to allow us to continue with the printed ones.

To order any of these specials and / or any of the other products featured in this issue complete the order form below and send with your remittance payable to: The Puzzle Club Ltd. For all unlisted items, please use remaining lines in price list or add a note to your order. (If you don't want to spoil your newsletter, simply put your request on paper) Please make cheques payable to: The Puzzle Club Ltd and send to The Puzzle Club Ltd - 30 Adelaide Road, Bramhall, Stockport SK7 1LT - For all unlisted items, please add a note in with your order.

This 20th Limited Edition puzzle shows how the villagers peer into sparkling shop windows, peruse market stalls, and purchase gifts for loved ones at Harvey and Benson's Winter Wonderland... the perfect way to prepare for the holiday season! Whilst piecing together this puzzle, you can almost smell the cinnamon and ginger of the mince pie stall! And it's not just the people's faces that are lit up with Christmas joy - the little furry friends are also joining in with the merriment in this Tony Ryan creation.

These joyful images by Daniela Pirola transport puzzlers to a bustling Christmas tree farm which has been adorned with enchanting decorations and twinkling lights, as cheeky snowmen, reindeer, and Santa Claus himself greets families eager to find the perfect tree for the festive season. The second puzzle takes us inside the magic of Santa's Grotto, where children gather to tell him their Christmas wishes and receive a beautifully wrapped gift to place under the tree at home.

With WASGIJ puzzles you don't puzzle the image you see - these characters are just a clue! The 2x1000 boxes also include the box image puzzle as a bonus

## Jig's Corner

I've been busy this month trying to find those previously released puzzles where we have enough left to include in a newsletter. Hopefully you'll find enough in there to compliment your Christmas puzzle orders so you have something to do that isn't quite Snowy or Santa-ish just yet! If ordering one of these SALE puzzles, please include an alternative in case we run out, as although we have a few of them, there are limited quantities compared to usual. If you choose 'POT LUCK' I'll make sure the puzzle isn't one you've had before! I'm trying to get hold of the Ravensburger Christmas special too, so will hopefully have that for you next month.

Stay safe and Happy Puzzling! Jig

## Winning Ways

**Issue 196 Winner - Congratulations to Mrs McDonald from Sunderland who knew Margaret Mitchell wrote Gone With The Wind. Your puzzle will be in its way shortly**

Please send your entries by end September 2022 and remember to tell us which puzzle up to 1000 pieces you would like if you are lucky enough to win (with your telephone number so we can call in case we don't have it!).
