Festival of the year!

Halloween, Bonfire Night and Christmas are all almost upon us so we know it is time to think about stocking up on puzzles for the colder months ahead when we can't go outside as often as we'd like and need something more fun to do than just watching TV! We have plenty of puzzles available on our website and will keep offering puzzles at SALE prices for those on a tighter budget so there's no excuse to run out! We've included some puzzle boards and accessories this month, as there is nothing better when people come round than 'helping' with an open puzzle on a board (or one which can quickly be closed up and put away if you want to keep it to yourself... 😊). These make an excellent treat for yourselves or gift for a 'puzzler' relative.

Also, please remember to let us know if you could have an emailed newsletter rather than a printed copy so we can reduce our postage costs and hopefully retain a printed newsletter for those without email.

This puzzle features the Wasgij family at The Restore Store where they have taken Grandad's old motorbike to be repaired. What will be revealed as they pull back the cover on the finished item? What has wowed everyone so much that even the horse has turned his head to get a look? Your job is to piece together the image that everyone is looking at.

FJ25020 - WASGIJ Original 41
The Restore Store - 1000pcs - £15.00

FJ1332 - Highland Farm
500pcs - £10.00

A beautiful illustration of life on a family farm in Scotland's stunning Highlands, illustrated by the ever-popular Debbie Cook.

R16772 - Disney Christmas Snowglobe Paradise
1000pcs - £15.00

It's a collector's dream come true with 15 of your favourite Disney characters showcased in stunning snow globes! This delightful Christmas shop has an amazing array: Monsters, Inc., Little Mermaid, Lilo & Stitch, Cars, Finding Nemo, and Beauty and the Beast. There's also Lady and the Tramp, The Lion King, Snow White, and The Jungle Book. Right in front find Frozen; Toy Story; Mickey and Minnie Mouse, and Donald Duck; Cinderella; and Aladdin too. A fun and festive puzzle for every Disney and Pixar fan and is a lovely way to bring friends and family together at Christmas time.

G9510 - Christmas Adventures
Advent Calendar
24x80pcs - £30.00

Winner of 'Gift of the Year' and featured on 'ITV's This Morning', why not start your Christmas countdown with our brand-new advent calendar illustrated by Claire McElfrick! With 24 doors, you can unbox a Christmassy scene 80pc puzzle surprise every single day. Packaged in a striking box with gold foiling, this gorgeous calendar is the perfect gift for any puzzle fan and includes puzzle glue and ribbon, so you can craft your own Christmas decorations when you have completed a jigsaw. The puzzles come in six different shapes, making every puzzle a mini challenge.

It's almost Christmas Eve, and the elves present Santa with a cake to celebrate reaching another production deadline! All around them the workshop is packed with colourful gifts; the last few are being finished, and soon the mammoth task of wrapping will start. Through the workshop door, snow is falling, the sleigh awaits and the reindeer are ready to play their part. This superb hand-illustrated puzzle is packed with wonderful details and lavish colours; we love the unique "year" clock (counts the year in months, not hours), the crowded shelves, beautiful decorations, machinery, tools and the magnificent structure of the timber-framed workshop.
