The Official PUZZLE CLUB Newsletter

New releases and Sale items

Jigs Corner, 'Winning Ways' Competition

As promised, new puzzles from all the main manufacturers are starting to arrive, so we'll keep them flowing through the Newsletters. We can't put them all in immediately, so if you see or hear of any you'd like which we haven't yet advertised then just give us a call and we can confirm if they are in stock (so you can buy them) or if we are getting them soon. As an example, we have 3 new WASGIJ RETRO 7 puzzle titles in stock, but we thought 3 WASGIJs in this month's newsletter was enough (too many of the same type of puzzles limits options for those who don't like them) so they will appear in a future edition, but are available now if you'd like one. We'll try to keep the number of new puzzles in the Newsletter to around 20 each month plus a few SALE ones, hopefully giving you enough variety without tempting you into buying too many at once!

Why not treat a loved one to a jigsaw puzzle this Valentine's Day - you can spend time doing it together and it is far better for the waistline than chocolates! Also, please remember all last year's puzzles are still reduced on the website while stocks last ...

To order any of these specials and / or any of the other products featured in this issue complete the order form below and send with your remittance payable to: The Puzzle Club Ltd. For all unlisted items, please use remaining lines in price list or add a note to your order. (If you don't want to spoil your newsletter, simply put your request on paper) Please make cheques payable to: The Puzzle Club Ltd and send to The Puzzle Club Ltd - 30 Adelaide Road, Bramhall, Stockport SK7 1LT - For all unlisted items, please add a note in with your order.

WASGIJ

An introduction to the concept ...

Wasgij is the addictively unique brand where you need to use your imagination to piece together the solution, which will contain the same or similar characters but in a different situation. ORIGINAL (& CHRISTMAS) is the 'what are they looking at' puzzle (so you'll see the back of the characters looking at some sort of scene), DESTINY is the 'time travelling' puzzle (so what the image will look like in the future) & MYSTERY is the 'what happens next' puzzle (so the characters will be the same but the situation will be chaotic!).

Jig's Corner

Well, the first month of no physical newsletters being sent out has been and gone and we still received quite a few new orders to send out, so thanks to you I'm still gainfully employed 😊. The numbers of new puzzles coming in from all the main manufacturers means I've plenty to keep me busy freeing up space and re-organising things so I can still find everything! I do wish suppliers would release titles in a simple numeric sequence rather than filling in gaps so I have to shuffle puzzles around to keep them in a simple order! That might just be my issue in how I like to arrange them, however, so I shouldn't complain too much ...

As usual, if you are ordering one of the SALE puzzles then either call Mark first to check or include an alternative on your order form in case we run out, as all Sale puzzles are available in very limited numbers.

Stay safe and Happy Christmas! Jig

Winning Ways

Issue 201 Winner

Congratulations to Ms Thomas from Merseyside who came up with the most words from 'Christmas'. Your puzzle will be on its way shortly.

Issue 203 Competition

How many Cats & Dogs (in total) can you find in the puzzle images in this Newsletter?

Please send your entries by end

February 2023 and remember to tell us which puzzle up to 1000 pieces you would like if you are lucky enough to win (with your telephone number so we can call in case we don't have it!). If no-one is exact, we'll choose the nearest!
