## WASGIJ - What is it all about?

WASGIJ (or backwards 'Jigsaw') is the unique puzzle brand by Jumbo games where you need to use your imagination to piece together the solution rather than just completing the image shown in the box. There are 4 types ...

**ORIGINAL (& CHRISTMAS)** - this is the 'what are they looking at' puzzle, where you have to use the clues provided to piece together what the characters shown in the image in the box are looking at.

**DESTINY** - this is the 'time travelling' puzzle, where you need to imagine what the image printed on the box will look like in the present or the future.

**MYSTERY** - this is the 'what happens next' puzzle, where you have to come up with the solution as to what will happen next to the characters in the image printed on the box.

This is what the ORIGINAL puzzles look like from the box image to the solution.

## Jig's Corner

Hi all  
Thanks for the kind words regarding our situation with regards to numbers of orders coming through. We realise how important our puzzles are to so many of you and I'll always do my best to get all new orders out to you as quickly as possible, but we just need more orders to come in so I have enough to keep me busy. Winter is definitely here now so the (usually) busy time of Christmas won't be far behind, hopefully bringing lots of new orders and work for me. I know it seems strange wanting more work to do, but we're doing everything we can to turn this situation around!

Anyway, for now let's all  
**Stay safe and Happy Puzzling Jig**
