Jig Corner

Hi all
Thanks for the kind words regarding our situation with regards to numbers of orders coming through. We realise how important our puzzles are to so many of you and I'll always do my best to get all new orders out to you as quickly as possible, but we just need more orders to come in so I have enough to keep me busy. Winter is definitely here now so the (usually) busy time of Christmas won't be far behind, hopefully bringing lots of new orders and work for me. I know it seems strange wanting more work to do, but we're doing everything we can to turn this situation around!

Anyway, for now let's all
Stay safe and Happy Puzzling Jig

Winning Ways

Issue 209 Winner

Congratulations to Mrs Howton from Sheffield who knew Electric Traffic Lights were first used in London in 1926. Your puzzle will be on its way shortly.

Issue 211

Which canal officially joined the Pacific & Atlantic oceans in October 1903 - Suez, Panama or Corinth?

Please send your entries to us by end August 2023 and let us know which jigsaw (upto 1000pc) you would like if your entry is selected as the winner.
