# The Official PUZZLE CLUB Newsletter

ISSUE  
215  
MARCH  
2024

Happy Mother's Day month! Why not treat your mum or grandmother (or yourself) to a new puzzle rather than chocolate or flowers on 10th and spend time puzzling together while chatting.

The new 'Jokesaws' range from Gibsons are very similar in terms of design to the JvH puzzles from Falcon Jumbo, so if you like one of them, why not give the other type a try too! There are a few in the 'Jokesaws' range, so if we have a decent uptake & feedback of the puzzle in this month's Newsletter we'll try more titles in the coming months.

Note that SALE puzzles have limited stocks, so if you order any puzzle by post please identify an alternative if possible, just in case it is out of stock when we receive your order.

## Jig's Corner

Spring is on the way and I'm looking forward to a bit of sunshine (or at least a little less greyness!). There are some spring / summer blue-sky images in the puzzles available this month too, so we can all put ourselves into the same frame of mind of summer not being too far away!

let's all stay safe  
and Happy Puzzling! Jig

## Winning Ways

### Issue 213 Winner

Congratulations to Mrs Daniels from Somerset who came up with 'Pharmacists' as the longest word. There were several people with this answer, but you were the lucky one who was selected from the successful entries. Your puzzle will be on its way shortly.

### Issue 215

**Which famous structure was completed in March 1936 and is on the border between Arizona & Nevada in the USA?**

Please send your entries to us by end March 2024 and let us know which jigsaw (up to 1000pc) you would like if your entry is selected as the winner.
